 HIBITED BY LAW. REPRODUCTION OF THIS FORM IS PROHIBITED.

THIS IS UNEVALUATED INFORMATION

1.   work on  
 the Danube-Black Sea Canal has practically stopped at the present time.  
 The Soviet authorities are reportedly drawing on the labor force, specialists,  
 and stocks of equipment, tools and raw materials for other work projects.
2. Some work has been done on the manufacture of equipment for amphibious  
 landings of troops, such as ramps and slides. It is not known whether this  
 work has been done at the canal site or whether the labor force and raw  
 materials for it have been moved to other locations.

This document is hereby regraded to
